PRESIDENT'S REPORT

Welcome to the December 2018 newsletter

The most recent club event was our Christmas Poker Run and lunch, with the day starting out rather rainy, but this didn't last too long, and it turned out to be a lovely day.

Julie Denham took out the money from the Poker Run, good job Julie.

There were 20 for lunch at The Red Poles Winery - what a great place, awesome food with a few drinks, liked by all.

Check out in the flyer for next event in January – the Twilight Cruise with the Monaro Club, always a favourite.

I don't have anything else to report this month, so with this I would like to wish you all a very Merry Christmas and a Happy New Year. Keep safe and well over the holidays and will see you at the next meeting in February, as there is no meeting in January.

John Walters

(President)

NEXT CLUB MEETING

7.30 pm, Monday 18th February 2019,

At MAUGHAN THIEM FORD.. (..to be confirmed)

NOTE: NO MEETING IN JANUARY

Mr Ed.....

And so another year is rapidly coming to a close - we've had our final club meeting for the year, & the Xmas Poker Run & Lunch at the Red Poles winery/restaurant. Another nice run, if a little damp at the start, & a good lunch with around 20 members in attendance - a good day to round out the year.

It's been a very busy year - with our GT Nationals coming up over Easter next year there has been a mountain of preparations to organise, in addition to all the regular club activities. However, we are in pretty good shape & looking forward to the big event. If you haven't entered yet, there's an Entry Form in this newsletter to print off & fill out & return, or you can enter on-line on the Nationals website <http://www.nafgta.asn.au/gtnationals/> There's also forms to purchase tickets for the 2 main functions we are putting on, & to purchase various merchandise items, which are pretty good value & will be great mementoes of the 18th Falcon GT Nationals 2019.

There's still a heap of things to put in place for the Nationals next year, so after a short break for the festive season it will be on again full time to make sure everything is just right come next Easter.

We didn't get down to Maughan Thiem for our usual once a year meeting in December this year, but we are aiming to be there for the first meeting next year on the 18th of February (to be confirmed). Club meetings next year will be on the THIRD MONDAY of each month to avoid clashes with public holidays in March & June, which have caused us quite a lot of inconvenience in the past. Reminders for meetings will continue to be issued by SMS a few days before the scheduled meeting date, so look for those.

Enjoy the festive season, & above all stay safe on the roads over the silly season, because we want to see you all again next year.

Cheers..

Hugh Westphalen

Conditions of Entry:

JUDGING

The National Association of Falcon GT Clubs Inc. sets out the detailed Judging Guidelines and Sheets which can be found at the following link: <http://www.nafgtc.asn.au>. All vehicles entered into the GT Nationals must be submitted for inspection, entrant number processing, prejudging and photography on the nominated scrutineering day(s).

VEHICLE JUDGED YES/NO:

An Owner can choose to not participate in final judging on the entry form, which will preclude the entry from Silver certificate or any other judged award participation. (Non judged awards are Distance travelled/Hard luck/Race day). If the vehicle presented is late or does not match the completed vehicle details on the entry form it will be deemed not for judging. Vehicles found at inspection to not be genuine GT's will be deemed associate vehicles or not for judging. Modern Era vehicles less than 15 years/15,000 km and less than 1000km/year since build date are not for judging.

VEHICLE DETAILS:

MODEL:	This is the description from the Ford GT model number on the ID plate (including sub category) or Associate e.g. XA GT Hardtop (RPO 83); XY GTHO Sedan BF2 GTP Sedan
VIN:	The JG33/JG66/6FPAAAAG identification number of the vehicle
ENGINE/CHASSIS:	The LD/GE/GF/GL/GJ/FPV engine or chassis number if different to the VIN
COLOUR:	The primary vehicle colour from the id plate and actual colour if different to factory colour.
REGO NO:	All Nationals entrants require a legal registration number, if they are to be driven on Public Roads

JUDGING CLASSES:

OU	Unrestored Original - vehicle has predominantly original factory paint over the whole car
OM	Maintained Original - vehicle has had an external only respray. E.g. Engine bay, boot, undercarriage are original paint
OR	Restored Original - vehicle has been mostly resprayed
OC	Original Contemporary – Older restored cars with period correct accessories.
MM	Modified - vehicle has significant engineering/structural modifications from original factory specification
NJ	Not for Judging

NB: Vehicles will be judged according to the owner's classification so please request advice at scrutineering if you are unsure.
