## ***PRESIDENT'S REPORT***

Welcome back to another year, with this one being a very important one at that with our Nationals in April.

Hope you had a good Xmas, New Year and break.

Our first meeting this February was at Maughan Thiem Ford, starting off with chicken and salad dinner for the members and a few drinks to wash it down.

The main topic of conversation being the Nationals. Hugh gave a comprehensive informative run down of the daily events over the Nationals long weekend.

Mike Perry kindly donated a very special rare 1977 bottle of Champagne and a large Ford book to the club, many thanks to Mike and his team at Maughan Thiem Ford.

Keep an eye on the calendar as the events team put together this year's itinerary, and as I have mentioned before, any ideas that you would like to see happen for this year's events, please contact one of the team.

***Regards***

***John Walters***

**Mr Ed.....**

Here we go again..

2019 is off & running with only 2 months before our GT Nationals which are coming up over Easter. The Festive Season hasn't been all that relaxing for members of the Nationals Committee as entries & requests for function tickets & merchandise orders have been steadily rolling in, which is good to see. We've comfortably passed the 200 mark for entries with still 2 months to go, so maybe we just might hit our 300 target, which would be fantastic.

If you haven't entered yet, & you want your car judged, you must enter by the end of February. We can accept entries beyond that but your car won't be judged. There's an Entry Form in this newsletter to print off & fill out & return by email or via the Club mailbox, or you can enter on-line on the Nationals website <http://www.nafgtc.asn.au/gtnationals/> There's also forms to purchase tickets for the Meet & Greet & Presentation Dinner, & to purchase various merchandise items, which are pretty good value & will be great mementoes of the 18<sup>th</sup> Falcon GT Nationals 2019.

Understandably, there might not be too much enthusiasm for getting the GT out for a long club cruise between now & the Nat's, as folks will be concentrating on getting their pride & joy in top shape for the big event. So the Events Committee have taken this into account & just scheduled a Mystery Coffee Run & a visit to the Old Adelaide Gaol for February & March events - GT's optional, daily driver acceptable. Look for the flyers inside..

Thanks to Mike Perry for hosting us for our first club meeting of the year - always a pleasure to see your smiling face Mike.. ☺

And a reminder that all club meetings this year will be on the THIRD Monday of each month, to avoid any clashes with long weekends.

See you on the Coffee Run..

Cheers..

## **OLD WILLUNGA HILL CLIMB**

### **SUNDAY 21<sup>ST</sup> APRIL 2019**

We have secured Council approval for the public road closure which will allow us to run THE OLD WILLUNGA HILL CLIMB as part of the 2019 Falcon GT Nationals program.

The hill climb will be run for us by U.M.E. who are a professional motorsport organisation who have run this hill climb on a many occasions.

The Old Willunga Hill Climb is an iconic piece of track which has been used many times as part of the Classic Adelaide Rally, & more lately the Targa Adelaide Rally. It is just under 3 kms in length of perfect tarmac surface, & as such is one of the nation's premium hill climbs.

Entry forms will be out soon, but numbers will be limited, so be quick to secure your chance to have a crack at one the best hill climbs you will ever have the opportunity to do.
